Charms and Beads Planner

Part 2-

Now pick at least 4 things that you want us to know from your list. Try to pick the "I want you to know..." statements that are easy to attach a symbol a letter or a number to. Then complete the following chart with your "I want you to know ..." statements and a drawing of the symbol, letter or number that matches your "I want you to know..." statement:

If you would like to make additional beads or charms out of your "I want you to know..." statements then you may use the space below to plan your beads or charms:
